

"Drive Yourself "Release of Liability"

I choose to drive y privately owned vehicle (POV) to the trip destination rather than accept the transportation provided by Davis Monthan Outdoor Recreation. I understand that if I fail to navigate to, and arrive on time to, the trip destination and am unable to participate in the activity, I will not be refunded any trip fees or deposits. I will not hold Davis-Monthan Outdoor Recreation, parental or subsidiary organizations, its employees or volunteers liable for any personal harm to the driver, POV occupants or damage to any personal property which could arise during my travel.
